Luxury lever handle

Peter Saville, founder of Factory Records and a radical designer, has created this handle, based on a 'fleuron', a Renaissance typographical motif. By turning the motif into a tangible, tactile object, he has blended the graphic and the haptic in an original manner. Like all izé luxury ironmongery, the lever handle is available in the full range of izé finishes.

length : 140

Projection : 60 mm

Finish : Available in all izé finishes
