

### PSH01

Luxury coat hook

Peter Saville, founder of Factory Records and a radical designer, has created this coat hook, based on a 'fleuron', a Renaissance typographical motif. By turning the motif into a tangible, tactile object, he has blended the graphic and the haptic in an original manner. Like all izé luxury ironmongery, the coat hook is available in the full range of izé finishes.

**width** : 100

**length** : 110

**Projection** : 45 mm
