

MZP02

Luxury lift and slide handle used by a great modernist architect
This is one of the handles that the great German photographer and designer Max Burchartz developed for manufacturer Wehag, and that the expatriate architect Berthold Lubetkin used on Highpoint 1 & 2 and on private houses in the UK. Like all izé luxury door hardware, the lift and slide handle is available in the full range of izé materials.

length : 198

Projection : 75 mm

Optional specifications : backplate length: 158 mm backplate width: 35 mm

Finish : available in all izé finishes
