

## EHC01

Luxury cabinet knob

There are occasions when you just need a high-quality solid knob of the appropriate size and with a good hand feel. That is why izé designed a series of three doorknobs and a cabinet knob, to fit most eventualities. This is the cabinet knob which complements, in particular, the flattened doorknob. Like all izé luxury ironmongery, the cabinet knob is available in the full range of izé finishes.

**width** : 24

**length** : 38

**Projection** : 35 mm
