

SBT02

Architect-designed luxury thumb turn

This thumb turn, designed by Sergison Bates, one of the most thoughtful and sophisticated practices, is part of a family of hardware that shares a common language of form and making, based on bending, folding and fabricating. Like all izé luxury door hardware, the thumb turn is available in the full range of izé materials.

length : 37

Projection : 38 mm

Optional specifications : diameter: 18 mm

Finish : Satin Stainless Steel, polished stainless steel and physical vapour deposition
