

DAT03

Architect-designed luxury bathroom turn

Designed by David Adjaye, one of the most important architects on the world stage, the bathroom turn is a simple T-shape made from two lengths of metal welded together. Its simple, ergonomic form coordinates well with the Ana-T lever handle. Like all izé luxury door hardware, the bathroom turn is available in the full range of izé materials.

length : 74

Projection : 36 mm

Rose Diameter : 50 mm

Finish : Available in all ize finishes
