

### ALAT01

Architect-designed luxury bathroom turn  
Amanda Levete, one of the UK's most creative architects, designed this bathroom turn to complement her lever handle. Its simple circular form, surmounted by a turn bar with rounded ends, shows the degree of consideration that goes into all of her, and her practice's, work. Like all izé luxury door hardware, the bathroom turn is available in the full range of izé materials.

**width** : 48

**length** : 58

**Projection** : 45 mm

**Finish** : Available in all izé finishes
