

LAT01

Architect-designed luxury bathroom turn
Architects Patrick and Claudia Lynch originally designed this bathroom turn for the bathroom doors at the Kings Gate residential development in London's Victoria (hence the name). The not-quite-square section is satisfying to hold. The original was cast in solid white bronze and hand-polished. However, like all izé luxury door hardware, the Vicky bathroom turn is available in the full range of izé materials.

Length : 35mm

Width : 15 mm

Projection : 17 mm

Rose diameter : 50 mm

Finish : Available in all izé finishes.
