

### ALAL01

Architect-designed luxury lever handle  
Amanda Leveté, one of the UK's most creative architects, designed this simple, elegant door handle for Wallpaper\* Magazine's 'Handmade' collection, its annual celebration of craft and creativity. The handle launched at the Milan Furniture Fair in 2010. Smooth and elegant, it is nevertheless deceptively simple – the rose is fixed to the door and only the grip rotates. Like all izé luxury door hardware, the lever handle is available in the full range of izé materials.

**Length** : 178 mm

**Projection** : 46 mm

**Finish** : Available in all izé finishes
