Elegant architect-designed lever handle
Italian architect Francesca Torzo designed this lever handle for No 9 – z33 in Hasselt, Belgium. It is supremely elegant, with a twisted form that is comfortable to hold and a slightly indented thumb position. It is part of a series of elements that Torzo designed specially for the project. In 2018, it was shown at the Venice Biennale.

Length : 118 mm

Projection : 59 mm

Finish : Available in all izé finishes
