

IZEOL02

Architect-designed luxury lever handle

Designed by German architect, shipbuilder and industrial designer Dieter Sieger, this lever handle with its elegant return to door is made from gravity die-cast aluminium with a black anodized finish that give it a gravity and a particularly modern feel. It is ideal for use in an apartment or hotel where you want a little 'edge' to the design.

Length : 132 mm

Projection : 78 mm

Rose diameter : 50 mm

Finish : Available in all izé finishes
