

basics lever handle, dark tan Morocco goat grip/ Sergison Bates

izé

SBL06

Architect-designed luxury lever handle

This lever handle, designed by Sergison Bates, one of the most thoughtful and sophisticated practices, is part of a family of hardware that shares a common language of form and making, based on bending, folding and fabricating. In this instance, the dark tan Morocco goat grip gives a warmer appearance and a more tactile feel. Like all izé luxury door hardware, the lever handle is available in the full range of izé materials.

Length : 158 mm

Projection : 58 mm

Rose diameter : 50 mm

Finish : Available in all izé finishes
