**EHT01**

This privacy set expands the range designed by Edwin Heathcote for izé and matches the doorknob 01. This collection was designed with ergonomics in mind while subtly morphing traditional doorknobs by flattening and warping its shape resulting in an oval saucer knob with a lathed neck.

**Projection** : 32 mm  
**Thumb turn length** : 42 mm  
**Rose diameter** : 50 mm  
**Rose thickness** : 9 mm
