

NEXXA small lever handle by Zaha Hadid

izé

NEXXAL02

The Small NEXXA lever handle is a new addition to our Zaha Hadid Design range of ironmongery. The same pioneering ideology flows into its fluid geometry, adding a touch of agility to this handle with the upward resting angle, a swish of elegance—petite, yet no less bold. Preserving the soul of the design, our extended range brings grace to contemporary spaces - both grand and intimate.
