

SBL04

Architect-designed luxury lever handle

This lever handle, designed by Sergison Bates, one of the most thoughtful and sophisticated practices, is part of a family of hardware that shares a common language of form and making, based on bending, folding and fabricating. This variant has a brass grip, with the contrast between the two materials providing a particularly elegant effect. Like all izé luxury door hardware, the lever handle is available in the full range of izé materials.

Length : 158 mm

Projection : 58 mm

Rose diameter : 50 mm

Finish : Satin stainless steel, polished stainless steel and physical vapor deposition
