

## basics small lever handle by Sergison Bates

**izé**

### SBL00

This lever handle, designed by Sergison Bates, one of the most thoughtful and sophisticated practices, is part of a family of hardware that shares a common language of form and making, based on bending, folding and fabricating. This handle has been designed for applications where a smaller lever handle is wanted. Like all izé luxury door hardware, the lever handle is available in the full range of izé materials.

**Length** : 85 mm

**Projection** : 50 mm

**Rose diameter** : 50 mm

**Optional specifications** : alternative use: suitable for door handle use
