

lever handle 1 / Kenneth Grange

izé

KGL01

This is one of four door handles that the distinguished industrial designer Kenneth Grange created for izé at the foundation of the company. The handle, which has become a classic, uses Grange's deep knowledge of design to explore making a handle which is extra functional as well as beautiful. In particular, it is distinguished by the fact that the handle grows directly out of the rose as a single sculptural piece. This lever has a curved 'return to door' so that it will not catch on bags and clothing. Like Like all Izé luxury handles, it is available in all the Izé finishes.
