Luxury lever handle

This is one of four door handles that the distinguished industrial designer Kenneth Grange created for izé at the foundation of the company. The handle, which has become a classic, uses Grange's deep knowledge of design to explore making a handle which is extra functional as well as beautiful. In particular, it is distinguished by the fact that the handle grows directly out of the rose as a single sculptural piece. This lever has a flattened shape that makes it particularly comfortable to hold. Like Like all Izé luxury handles, it is available in all the Izé finishes.

Length : 145 mm
